The Division has entered the second year of our five year strategic plan encompassing the four broad goals of campus life, campus climate, campus and community partnerships, and Division effectiveness. To date, we are pleased to have worked with 29 units on campus to develop the following 60 campus partnerships.

**Auxiliary Services**
- The Division secured sponsorships with IUPUI Food Service and Barnes and Noble Bookstore for several programs including Homecoming, Jagapalooza, New Student Welcome Dinner, Ice Cream Social, and Campus Center Open House.

**Center for Service and Learning**
- The Office of Student Involvement (OSI) continues to share support for large service events including the MLK Day of Service and Cesar Chavez Day of Service.
- In addition, OSI and CSL continued their joint funding of two professional staff positions.

**Enrollment Services**
- The Office of Educational Partnerships and Student Advocacy (EPSA), along with other Division representatives, provided support and resources for Office of Admissions events throughout the year including FallFest, Spring Admit Days, and the Overnight Admissions days.
- EPSA, in collaboration with Enrollment Services and Orientation Services, provides administrative oversight to the IUPUI Class Facebook pages, answering inquiries, addressing student concerns, and promoting programs and resources available at IUPUI.
- The Student Advocate (EPSA) developed a partnership with Financial Aid to help provide information to students about emergency funding. The Student Advocate works with liaisons within each of the schools to determine if a student may qualify for the emergency funding and what the process is for the student to receive the aid if needed.
- EPSA, with input from campus partners, created the Parent and Family Enrollment Checklist for families of newly admitted students. This checklist provides a detailed guideline of the tasks students should complete from the point of admission to the first week of classes.
- The Division created the Student Affairs Diversity Series and partnered with the Office for Veterans and Military Personnel to create workshops that focus on the unique issues and challenges facing students who are veterans.

**Faculty & Staff Affinity Councils**
- In coordinating cultural heritage month celebrations, staff in the Office of Student Involvement (OSI) continue to partner extensively with faculty/staff affinity councils to create programming that has wide appeal and significance.

**Graduate Office**
- Student Conduct provides consultation to the Graduate Office and professional schools on matters of alleged violations of the Code of Student Rights, Responsibilities, and Conduct by graduate and professional students.
Herron School of Art and Design
- The Campus Center established a relationship with Abbey Chambers in the Basille Center to expand opportunities for showcasing student artwork; nine student artists were featured during the 2012-2013 academic year.
- The Campus Center exclusively hires Herron students to operate and lead the development of the Cultural Arts Gallery.
- Housing and Residence Life (HRL) continues to support Herron House Residential Based Learning Community in the Riverwalk Apartments.

Honors College
- Housing and Residence Life (HRL) supports the Honors Residential Based Learning Community in Riverwalk Apartments and added one in The Tower beginning fall 2013.

Kelley School of Business
- Housing and Residence Life (HRL) supports Kelley Residential Based Learning Community in The Tower.
- HRL staff serves as an adjunct faculty member for two BUS Learning Communities: BUS X103 and X203.

Lilly Family School of Philanthropy
- The Division is working with philanthropy faculty and The Fund Raising School staff to develop a fundraising institute for student affairs professionals.

Office of Alumni Relations
- Campus Recreation held a Battleship competition for Regatta Week with money raised going to Regatta student scholarships.

Office of Diversity, Equity, and Inclusion
- The Office of Student Involvement (OSI) is committed to a consistently deeper relationship with the Multicultural Success Center, especially in establishing a network of support for diversity celebration and multicultural competence by facilitating social justice initiatives including Cultural Heritage Months.
- The Division created the Student Affairs Diversity Series and partnered with Adaptive Educational Services to create workshops that focus on the unique issues and challenges facing students with disabilities.

Office of Insurance, Loss Control & Claims
- The Office of Student Involvement (OSI) and the Office of the Vice President and General Counsel for Indiana University have partnered extensively to ensure risk management processes and policies are in compliance.

Office of Intergroup Dialogue & Civil Community
- Housing and Residence Life (HRL) partnered to offer training on intergroup communication and civility to Resident Assistants working with the nearly 2,000 students living on campus.
Office of International Affairs

- Housing and Residence Life (HRL) supports International House Residential Based Learning Community at Riverwalk Apartments.
- The Division created the Student Affairs Diversity Series and partnered with International Affairs to create with workshops that focus on unique issues and challenges facing international students.
- Student Health continues to partner with OIA to insure student safety with Study Abroad programs.

Office for Women

- Counseling and Psychological Services (CAPS) partnered in the Sexual Assault Prevention, Intervention, and Response Task Force Grant from Indiana Campus Sexual Assault Primary Prevention Project and social marketing campaign.
- Student Conduct continues to support the work of the Sexual Assault Prevention, Intervention, and Response team. The team is co-chaired by representatives from CAPS and the Office for Women and includes members from Student Affairs, Academic Affairs and other business units at the university.
- The Office of Student Involvement (OSI) works with several initiatives including: Women’s History Month, Take Back the Night and the Advancing Women Mentorship Program (which matched 25 students with mentors in this, its third year).
- The Division created the Student Affairs Diversity Series and partnered with the Office for Women to create workshops that focus on the unique issues and challenges facing women students in higher education.

Police Department

- Counseling and Psychological Services (CAPS) work with SAPIR to address Title IX compliance.
- Housing and Residence Life (HRL) hosts three live-in police officers within the Riverwalk Apartments to provide community education and an increased police presence.
- Student Conduct continues to partner with the Indiana University Police Department on numerous matters, including compliance with the Jeanne Clery Act, investigations of alleged acts of misconduct, and consultation with campus partners on matters of disorderly or disruptive behavior.

Public Safety and Institutional Assurance

- Student Conduct will partner with Public Safety and Institutional Assurance on the interpretation and implementation of the new regulations to be implemented with the reauthorization of the Violence Against Women Act (VAWA).

Richard M. Fairbanks School of Public Health

- Counseling and Psychological Services (CAPS) partnered with public health students for academic credit with peer educators.

Robert H. McKinney School of Law

- Housing & Residence Life (HRL) is partnering to offer a “Hot Topics in Law” programming series to begin in fall 2013.
School of Continuing Studies
- Division of Student Affairs is creating the Student Affairs Diversity Series and partnered with the School of Continuing Studies to create workshops that focus on unique issues and challenges facing adult students.

School of Education
- Several Division offices have continued their long-standing partnership with the Higher Education Student Affairs (HESA) program within the Indiana University School of Education to employ graduate assistants.

School of Engineering and Technology
- The Campus Center established relationships with the Interior Design Technology Program to create areas for future class project competitions in the Campus Center.
- Housing & Residence Life (HRL) supports the Purdue House Residential-Based Learning Community (RBLC) in the Riverwalk Apartments.
- HRL created the STEM RBLC in The Tower beginning fall 2013.
- The Office of Student Involvement (OSI) continues to work with the Organizational Leadership and Supervision (OLS) program to establish a process for awarding academic credit for qualifying co-curricular experiences.
- The Division and the Department of Music Arts Technology are partners in their financial support of the JagBand, IUPUI’s pep band.

School of Health and Rehabilitation Sciences
- Student Health partners regarding tracking immunization requirements.

School of Medicine
- Student Health partners regarding tracking immunization requirements.
- The Office of Student Involvement (OSI) has begun conversations with Medical Student Affairs to explore which services can be leveraged to complement medical students’ educations and help turn out physicians and surgeons who are more attuned to the people they are treating.

School of Nursing
- Student Health partners regarding tracking immunization requirements.

School of Physical Education and Tourism Management
- Housing & Residence Life (HRL) created a PETM Community Residential Based Learning Community in The Tower beginning fall 2013.
- Campus Center works with the TCEM program to fill Event Services Assistant Student positions.
- HRL Staff have facilitated leadership workshops for three of the first year seminar courses taught through the school.

School of Public and Environmental Affairs
School of Science
- Housing & Residence Life (HRL) supports Women in Science Residential Based Learning Community.
- HRL supports Purdue House Residential Based Learning Community in the Riverwalk Apartments.
- HRL supports STEM Residential Based Learning Community in The Tower beginning fall 2013.
- Counseling and Psychological Services (CAPS) partnered with psychology students for academic credit for peer educators.

University College
- The Office of Educational Partnerships and Student Advocacy (EPSA) worked with orientation to enhance the experience for students and their families.
- Counseling and Psychological Services (CAPS) partnered with UC to develop new programming that more effectively and efficiently meets student needs.
- CAPS offered training in suicide prevention for Gateway Faculty.
- Campus Recreation collaborated with University College Student Council and EPSA in providing recreational activities for the summer over-night orientation programs, Summer Bridge program, JagVenture, JagFest and Weeks of Welcome.
- Housing & Residence Life (HRL) will be working with advisors in Academic and Career Development during Career Week to host a RA panel to discuss transferable skills and the benefits of working on campus.
- Housing and Residence Life (HRL) continues partnering with University College to sponsor the “So What?” programming series looking at issues around the world and how they impact college students.
